At Macknade State School

We are all about

Respectful Relationships

Macknade Charter of Expectations

School

We expect:

• That our students should be at the heart of everything we do, every day.
• All children have the right to a quality education and that all students will achieve if given the right support.
• That all staff set high expectations of themselves and their students.
• All staff to have a deep understanding of how each of their students is progressing at any given time.
• All staff to understand how they contribute to children’s learning and to share the accountability for our data.
• All staff to contribute to a culture that promotes life-long learning and curiosity about the world.
• All staff to build healthy, positive and respectful relationships with students, other staff, parents and the community.
• All staff to care about every child and that no child will be left behind.
• Every teacher to have a deep understanding of the curriculum and how to teach it.
• All teachers to embed our school pedagogical framework into their lessons.
• All teachers and teacher aides to be responsible for giving clear, accurate and timely feedback to students around their efforts.
• The school to provide the best resources for teaching that the budget can afford.
• That teachers plan to adjust their lessons for the differences in students’ needs and abilities.
• The Principal provide leadership to improve the quality of pedagogy, learning and support.

Students

We expect:

• Students to show and in turn receive respect, courtesy and support from the school community.
• Students to strive to be their best, in the classroom, in the playground and on the sporting field.
• All students to be accountable for their learning and their behaviour.
• All students to build positive relationships with their peers, teachers and the community.
• Students to participate in experiences that meet their learning and developmental needs.
• All students know and actively apply the 3 Bs to their relationships and actions every day.

Parents

We expect:

• Parents to work in partnership with the school to educate our students.
• All parents to support the school by reinforcing school rules and codes of behaviour.
• Parents to show an active interest in and participate in their student’s learning.
• Parents to maintain constructive, respectful communication and relationships within the school.
• Parents to respect all members of the school community.
