

Dear Families

Our school now has 4 colourful playground markings installed by EduMarking on cement areas around the school. Students enjoy playing with them and Mrs Zullo and I will be able to incorporate them into our lessons in the classroom.

These markings make our school look fantastic.

P&C meeting

A **P&C AGM meeting** will be held on **Monday 18 March at 3:30pm** in the school office. This will be a meeting to enrol members and select a committee. For the P&C to operate in 2024 we have to have more than 2 members and a President, Vice President, Secretary and Treasurer. If a P&C committee cannot be formed then the P&C will close. This will mean that the school cannot fundraise as the P&C is the only committee able to fundraise for the school. If you are interested in being part of the P&C, please attend the meeting and complete the member form and be willing to accept a job.

NAPLAN

Students in Years 3, 5, 7 and 9 will take part in the 2024 National Assessment Program – Literacy and Numeracy (NAPLAN) commencing Wednesday 13 March 2024 and finishing on Monday 25 March 2024. NAPLAN assesses literacy and numeracy skills that students are already learning at school. On its own, NAPLAN is not a test that can be studied for, and students are not expected to do so. NAPLAN is just one aspect of a school's assessment and reporting process – it does not replace ongoing assessments made by teachers about student performance; however, students and parents may use individual results to discuss progress with teachers.
